****Coach Facts/Trivia****

WOULD YOU RATHER?: Be able to breathe under water for 30 minutes . . . or Read people's mind for only 1 hour?

Coach Alli---water (she could win a world record for holding her breath that long)

Coach Stephen---mind (he would love to know how his friends & family really think of him)

Coach Braden---water (he could swim with fish and whales)

Coach T. J.---water (he would want to see what the bottom of the ocean is like)

Coach Audrey---water (she doesn't want to know what people think about her ;"ignorance is bliss")

Coach Angie---mind (she feels people could be trained to hold their breath; you'll never be able to read minds)
